### WELCOME TO PUCHOG What is PUCHOG?

**Players Using Competition Helping Others Grow, Inc. (PUCHOG)** is a non-profit, charitable 501(c)(3) organization dedicated to enhancing the lives of wounded veterans and their supporters. We bring awareness to the challenges they face by organizing tournaments, skate events, and other community activities that raise funds for their continued support. Our organization is entirely volunteer-run, and all proceeds and donations from every event go directly to supporting our teams.

PUCHOG moves *beyond the ice* with a wide variety of events designed to connect, empower, and uplift our veterans, their families, and their supporters.
